‘Congratulations Marshall’

Marshall Recommended For Continued ISO
Registration at Conclusion of First Surveillance
Audit by National Quality Assurance

TABES Begins 9 a.m. Tues.; Space Sessions Set For 2-4:30 p.m. Tues.

The 1998 Technical and Business Exhibition/Symposium (TABES) begins Tuesday at the Von Braun Center with the opening session at 9 a.m. Acting Center Director Carolyn Griner will be the guest speaker at the National Space Club luncheon at 11:30 a.m. Tuesday. The Space Symposium, chaired by Sally Little and Al Jordan of Marshall's Technology Transfer Office, will run concurrent presentations from 2-4:30 p.m. Tuesday.

STS-95 Crew at Center For Training

Space Shuttle crew members will be training at Marshall and off-site facilities until Friday, in preparation for the STS-95 mission scheduled for launch in October. Marshall-related crew training will involve combustion science and protein crystal growth experiments.
